INDEPENDENT AUDITOR’S REPORT

To the Board of Directors of
Share Our Strength, Inc. and Subsidiary

Report on the Consolidated Financial Statements
We have audited the accompanying consolidated financial statements of Share Our Strength, Inc. and Subsidiary (Share Our Strength), which comprise the consolidated statement of financial position as of June 30, 2016, and the related consolidated statements of activities and cash flows for the year then ended, and the related notes to the consolidated financial statements.

Management’s Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility
Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion
In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Share Our Strength as of June 30, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.
Other Matters

Report on Summarized Comparative Information

We have previously audited Share Our Strength’s 2015 consolidated financial statements, and we expressed an unmodified audit opinion on those audited consolidated financial statements in our report dated December 4, 2015. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2015, is consistent, in all material respects, with the audited consolidated financial statements from which it has been derived.

Other Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The supplemental consolidating information is presented for the purpose of additional analysis of the consolidated financial statements rather than to present the financial position, changes in net assets and functional expenses of the individual entities, and is not a required part of the consolidated financial statements. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is also not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated December 9, 2016, on our consideration of Share Our Strength’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Share Our Strength’s internal control over financial reporting and compliance.

The accompanying notes are an integral part of these consolidated financial statements.
1. Organization and Summary of Significant Accounting Policies

**Organization**
Share Our Strength, Inc. is one of the nation's leading anti-hunger organizations. The No Kid Hungry campaign connects kids in need with nutritious food and teaches their families how to cook healthy, affordable meals. The campaign also engages the public to make ending childhood hunger a national priority. To support these efforts, Share Our Strength, Inc. raises funds in multiple ways, from mobilizing volunteer led special events across the country, to developing cause-related marketing campaigns and securing corporate sponsorships.

Community Wealth Partners, Inc. (CWP), a wholly-owned for-profit subsidiary of Share Our Strength, Inc., was incorporated on March 31, 1997, in the state of Delaware. CWP partners with organizations to solve problems at the magnitude in which they exist.

**Principles of Consolidation**
The consolidated financial statements include the accounts of Share Our Strength, Inc. and CWP (collectively referred to as Share Our Strength). All intercompany transactions and balances were eliminated.

**Basis of Accounting**
The accompanying consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP). The consolidated financial statements are prepared using the accrual basis of accounting.

**Cash and Cash Equivalents**
Cash and cash equivalents include highly liquid investments with initial maturities of three months or less.

**Cash Held by Others**
Cash held by others represents cash held by IMG Tickets, a division of International Players Championships, Inc. (IMGT), a full service ticket sales center, on Share Our Strength’s behalf. IMGT has no rights to this cash. IMGT provides its ticketing and related services to Share Our Strength’s New York City Wine and Food Festival (NYCWFF). IMGT receives and holds the proceeds from ticket sales for the event and then remits settlement payments on a regular twice monthly schedule to Share Our Strength following determination of any deductions for processing fees.

**Accounts Receivable and Grants and Contributions Receivable**
The face amount of accounts receivable and grants and contributions receivable is reduced by an allowance for doubtful accounts. The allowance for doubtful accounts reflects the best estimate of probable losses, determined principally on the basis of historical experience and allowances for specifically identified, delinquent accounts. All accounts, or portions thereof, that are deemed uncollectible, or that require an excessive collection cost, are written off to the allowance for doubtful accounts.
1. Organization and Summary of Significant Accounting Policies (continued)

**Property and Equipment and Related Depreciation and Amortization**

Property and equipment are recorded at cost. Depreciation of furniture, fixtures, equipment and software is provided for on a straight-line basis over the estimated useful lives of the assets, which range from 3 to 7 years. Leasehold improvements are amortized over the shorter of the lease term or useful life. The cost of property and equipment retired or disposed of is removed from the accounts along with the related accumulated depreciation and any gain or loss is reflected in income or expense in the accompanying consolidated statement of activities. Major additions are capitalized while replacements, maintenance and repairs that do not improve or extend the lives of the respective assets are expensed as incurred.

**Grants Payable**

Share Our Strength generally awards grants on an annual basis. Grants are expensed in the year in which the unconditional commitment to give is made to the grantee, in accordance with the grant term. Any amounts promised but unpaid as of June 30, 2016 are included in grants payable in the accompanying consolidated statement of financial position. All grants payable are due within one year.

**Net Assets**

The net assets of Share Our Strength are classified as follows:

- Unrestricted net assets represent funds that are available for support of Share Our Strength’s operations.
- Temporarily restricted net assets represent amounts that are subject to donor-imposed restrictions to be used for a particular purpose or within a specific time period.

**Support and Revenue Recognition**

Grants, contributions and sponsorships are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted support. Conditional promises to give are not included as support until such time as the conditions are substantially met. When a donor restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the accompanying consolidated statement of activities as net assets released from restrictions.

Grants and contracts treated as exchange transactions are recognized as costs are incurred on the basis of direct costs plus allowable indirect expenses. Revenue recognized on these grants and contracts for which billings have not been presented to or collected from the awarding agency is included in grants and contributions receivable in the accompanying consolidated statement of financial position. Amounts received in advance are recorded as deferred revenue in the accompanying consolidated statement of financial position.
1. Organization and Summary of Significant Accounting Policies (continued)

**Support and Revenue Recognition (continued)**

Under the accrual basis of accounting, revenue is recorded in the period in which it is earned. Accordingly, event ticket sales collected in advance from customers are recorded as deferred revenue and recognized as revenue when the event occurs. Consulting fees are recognized based on a percentage of consultants’ time incurred under the contract to the contract fee. Revenue recognized on contracts for which payments have not been received is reflected as accounts receivable in the accompanying consolidated statement of financial position. Contract payments received in advance, but not yet earned, are recorded as deferred revenue in the accompanying consolidated statement of financial position.

**Donated Goods and Services**

In-kind contributions are recognized as both revenue and support and expenses in the accompanying consolidated statement of activities at the estimated fair value as provided by the donor at the date of donation. In-kind contributions are predominantly public service announcements (PSAs), other media spots, print and web advertising.

**Functional Allocation of Expenses**

The costs of providing the various programs and other activities have been summarized on a functional basis in the accompanying consolidated statement of activities. Accordingly, costs have been allocated based upon the functions they directly support and benefit or upon management’s estimates of the proportion of these costs applicable to each function.

Share Our Strength is a co-beneficiary along with the Food Bank For New York City, of the net proceeds raised by the New York City Wine and Food Festival (NYCWFF). NYCWFF is an annual four-day event held in October that is directed by Southern Wine & Spirits. Share Our Strength includes the NYCWFF financial results in these consolidated financial statements. Given that a significant portion of NYCWFF’s activities are fundraising, the NYCWFF’s fundraising expenses are being separately reported to more accurately reflect Share Our Strength’s functional expense allocation and business model.

**Measure of Operations**

Share Our Strength includes in its definition of operations all revenue, support and expenses that are an integral part of its programs and supporting activities, as presented in the accompanying consolidated statement of activities. Realized and unrealized gains and losses on its investments, and any associated income taxes, are considered non-operating activities unless appropriated for operations as part of Share Our Strength’s budgetary process.

**Estimates**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.
2. Accounts Receivable

Accounts receivable were composed of the following as of June 30, 2016:

- Consulting fees: $501,952
- Culinary events: $340,990
- Other: $216,573

Total Accounts Receivable: $1,059,515
Less: Allowance for Doubtful Accounts: $(32,000)

Office Leases

In March 2013, Share Our Strength entered into a twelve-year noncancelable operating lease agreement for its office space in Washington, DC. The lease for the 11th floor space commenced on November 1, 2013, and extends through October 31, 2025. Base monthly rent for the 11th floor space is $117,296 and is subject to annual increases of 2.5% per annum. The lease for the 10th floor space commenced on November 1, 2014, and extends through October 31, 2025. Base monthly rent for the 10th floor space is $32,873 and is subject to annual increases of 2.5% per annum. Share Our Strength is required to pay its proportionate share of any increases in real estate taxes and operating expenses of the building. As an incentive to enter into the lease, Share Our Strength received a 10-month rent abatement period on the 11th floor space, as well as a 10-month rent abatement on the 10th floor space, and a tenant improvement allowance of $2,969,118, of which $2,890,070 was spent towards the acquisition of leasehold improvements and furniture, fixtures and equipment during the year ended December 31, 2013. In lieu of a security deposit, Share Our Strength delivered an irrevocable, unconditional letter of credit to the landlord in the amount of $150,169. The restricted cash balance pledged under the terms of the letter of credit is included in cash and cash equivalents in the consolidated statement of financial position.

Share Our Strength entered into a sublease agreement for the entire 10th floor space. The sublease agreement for the 10th floor space commenced on November 1, 2014 and expires on October 31, 2017. The subtenant has a termination right after November 1, 2016, provided that each party provides the other with 9 months advance notice. Base monthly rent under this agreement is $22,012 and is subject to annual increases of 4% per annum. The subtenant was also granted a two-month rent abatement.

Share Our Strength also has noncancelable operating lease agreements for office space in Denver, Colorado; New York, New York; and Boston, Massachusetts. These leases are for varying terms through October 2019. The Denver lease also included a tenant improvement allowance of $94,075 which was spent towards the acquisition of leasehold improvements.

On May 6, 2011, CWP entered into a ten-year and eight-month noncancelable operating lease agreement for its office space in Washington, DC. The lease commenced on October 1, 2011, and extends through May 31, 2022. The monthly base rent is subject to annual escalations of 2.5%. CWP is also obligated to pay its proportionate share of the real estate taxes and excess operating costs. As an incentive to enter into the lease, CWP received a tenant improvement allowance of $255,375, of which $237,941 was spent toward the construction of tenant improvements, with the balance being applied against future rental payments due to the landlord.

Under GAAP, all fixed rent increases and lease incentives, including any rental abatements and tenant improvement allowances, are recognized on a straight-line basis over the term of the lease. The difference between this expense and the required lease payments is reflected as a deferred rent and lease incentive liability in the accompanying statement of financial position.

As of June 30, 2016, the balance exceeded the maximum limit insured of the FDIC by approximately $11,143,000. Share Our Strength monitors the credit worthiness of these institutions and has not experienced any historical credit losses on its cash and cash equivalents.

**Office of Management and Budget Uniform Guidance**

Share Our Strength has instructed its independent auditors to audit its applicable federal programs for the year ended June 30, 2016, in compliance with Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (the Uniform Guidance), issued by the U.S. Office of Management and Budget (OMB). Until such audit is reviewed and accepted by the contracting or granting agencies, there exists a contingent liability to refund any amounts received in excess of allowable costs. Management believes that any matters arising from the reviews by the federal agencies of the independent auditor’s reports for fiscal year 2016 will not have a material effect on Share Our Strength’s financial position as of June 30, 2016, or its results of operations for the year then ended.

8. Donated Support (continued)

Effective October 31, 2014, a memorandum of understanding was reached between Share Our Strength, A Place at the Table, a D.C. not-for-profit corporation, and MediaVest, Inc., a leading global media special agency, to establish a collaboration agreement between parties. This collaboration developed a large scale media campaign, titled “Great Nations Eat”, to promote awareness about hunger and lead a call to action and raise funds for programming efforts to end hunger in the United States of America. A goal of the collaboration was to raise a substantial amount of contributed in-kind media air time to advertise the campaign. The Great Nations Eat media campaign launched on June 29, 2015. This resulted in a significant increase, compared to prior years, to the amount of in-kind contributions recorded by Share Our Strength on the consolidated statement of activities and the related consolidated statement of functional expenses on an annual basis. All in-kind contributions related to this campaign are included in program services expense in the accompanying consolidated statement of activities. The agreement between the parties was terminated and the campaign ended during the year ended June 30, 2016.

Other televised and digital public service announcements (PSAs) have been donated to Share Our Strength, primarily from the Food Network and Connect360 MultiMedia, to educate the general public about childhood hunger and to encourage the public to participate in Share Our Strength’s No Kid Hungry program. PSAs are valued based on the number of times the announcements are played and the period in which the announcements are aired at the network’s equivalent rate charged to paying customers. The associated PSA expense is recorded in either program service or fundraising expenses in the accompanying consolidated statement of activities based on the purpose and content of the PSA.

Other print, radio, web, and television advertising has been donated primarily to publicize Share Our Strength’s No Kid Hungry program and campaign events and the NYCWFF. The donated advertising is valued based on advertising rates in a similar manner as the PSAs and is recorded as either program services or fundraising expense in the accompanying consolidated statement of activities based on the purpose and content of the advertising.

Donated legal services are included in management and general expenses in the accompanying consolidated statement of activities.

Travel and other donated items include travel stipends and food and beverage donated for use at Taste of the Nation, No Kid Hungry Dinners, and the NYCWFF events. These costs are included in program service expenses, fundraising expenses and direct donor benefit expenses in the accompanying consolidated statement of activities.

9. Pension Plan

Share Our Strength sponsors a defined contribution pension plan covering substantially all full-time employees. Employees may elect to defer and contribute to the plan a portion of their compensation in amounts up to the maximum permitted by law. After one year of service, Share Our Strength matches elective deferrals up to 3% of compensation. Total pension expense for the year ended June 30, 2016 was $287,467.
10. Income Taxes

Under Section 501(c)(3) of the Internal Revenue Code, Share Our Strength is a nonprofit organization and is exempt from federal taxes on income other than net unrelated business income. Share Our Strength’s 2016 unrelated business income was derived from its investments. The investments were originally donated to Share Our Strength in 2013 and recorded at fair value as of the date of the donation. Share Our Strength sold the remainder of the investments during the year ended June 30, 2016 for $6,291,536, recognizing a taxable capital gain on the investments of $5,416,482. Share Our Strength paid $1,623,816 of unrelated business income tax during the year ended June 30, 2016 related to the sale of the investments.

CWP is subject to federal and state income taxes and files separate federal and applicable state income tax returns. The provision for income tax expense resulting from net operating income consists of the following for the year ended June 30, 2016:

<table>
<thead>
<tr>
<th>Description</th>

</tbody>
</table>

Under the asset and liability method of accounting for income taxes, deferred tax assets and liabilities are recognized for the future tax consequences attributable to the difference between financial statement carrying amounts of existing assets and liabilities and their respective tax bases, operating loss and tax credit carry forwards. The net deferred tax asset consisted of the following as of June 30, 2016:

<table>
<thead>
<tr>
<th>Description</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Deferred tax assets:</td>
<td></td>

<tr>

</tr>
<tr>
<td>Accelerated depreciation</td>
<td>(81,143)</td>
</tr>
<tr>
<td>Deferred Tax Asset, Net</td>
<td>$ 285,755</td>
</tr>
</tbody>
</table>

CWP’s cumulative net operating losses totaled approximately $1,039,000 as of June 30, 2016, and expire in fiscal years 2027 through 2031. CWP’s management has determined that CWP’s future operations will be able to generate sufficient taxable income to realize the full amount of the deferred tax asset. Therefore, no valuation allowance has been recorded for the deferred tax asset as of June 30, 2016.

In accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 740, Income Taxes, Share Our Strength has evaluated its income tax positions for the year ended June 30, 2016, and has determined that it has no material uncertain tax positions. Accordingly, Share Our Strength has not recognized any liability for unrecognized income tax.
10. Income Taxes (continued)

The statute of limitations for tax years 2012 through 2014 remains open in the major U.S. taxing jurisdictions in which Share Our Strength is subject to taxation. It is Share Our Strength’s policy to recognize interest and/or penalties related to uncertain tax positions, if any, in income tax expense. As of June 30, 2016, Share Our Strength had no accrual for interest and/or penalties.

11. Allocation of Joint Costs

In applying the accounting standards related to joint costs of informational materials and activities that include a fundraising appeal, Share Our Strength identified activities as program, management and general, and fundraising in the following categories:

a. Education and awareness about hunger and food insecurity
b. Volunteer recruitment, mobilization and management

taste of the Nation, No Kid Hungry Dinners, Chefs Cycle, the NYCWFF and the like are platforms or vehicles used to accomplish one or more of the programs defined above. As such, the activities performed for each platform may be program-specific, fundraising, management and general, or joint (i.e., a combination of fundraising and program).

The costs of providing programs and other activities have been summarized on a functional basis in the accompanying consolidated statement of activities. Accordingly, joint costs of $7,833,729 relating to Taste of the Nation, No Kid Hungry Dinners, Chefs Cycle and the NYCWFF, for the year ended June 30, 2016, that included a fundraising appeal have been allocated among the programs and supporting services benefited. Of these costs, $2,119,049 was allocated to program services and $5,714,680 was allocated to fundraising.

12. Subsequent Events

In preparing these consolidated financial statements, Share Our Strength has evaluated events and transactions for potential recognition or disclosure as of December 9, 2016, the date the consolidated financial statements were available to be issued. There were no subsequent events that require recognition or disclosure in the consolidated financial statements.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

INDEPENDENT AUDITOR’S REPORT

To the Board of Directors of
Share Our Strength, Inc. and Subsidiary

Report on the Consolidated Financial Statements

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the consolidated financial statements of Share Our Strength, Inc. (Share Our Strength), which comprise the consolidated statement of financial position as of June 30, 2016, and the related consolidated statements of activities and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated December 9, 2016.

Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered Share Our Strength’s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of Share Our Strength’s internal control. Accordingly, we do not express an opinion on the effectiveness of Share Our Strength’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.
Compliance and Other Matters

As part of obtaining reasonable assurance about whether Share Our Strength’s consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of consolidated financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Share Our Strength’s internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the organization’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE
REQUIRED BY THE UNIFORM GUIDANCE

INDEPENDENT AUDITOR’S REPORT

To the Board of Directors of
Share Our Strength, Inc. and Subsidiary

Report on Compliance for Each Major Federal Program

We have audited Share Our Strength, Inc. and Subsidiary’s (Share Our Strength) compliance with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on each of Share Our Strength’s major federal programs for the year ended June 30, 2016. Share Our Strength’s major federal programs are identified in the summary of auditor’s results section of the accompanying schedule of findings and questioned costs.

Management’s Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor’s Responsibility

Our responsibility is to express an opinion on compliance for each of Share Our Strength’s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (the Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Share Our Strength’s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Share Our Strength’s compliance.

Opinion on Each Major Federal Program

In our opinion, Share Our Strength complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2016.
Report on Internal Control Over Compliance

Management of Share Our Strength is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Share Our Strength’s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Share Our Strength’s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
